1. (U) Reference discussion held on 8 May 1974 regarding first draft, this subject.
2. (S) The enclosed is a second and complete draft of the scoring criteria and target list discussed during our referenced meeting. I have coordinated this material with responsible production elements of DIA(DI-3) and CIA(OSR). NSA and NPIC have not been involved up to this point.
3. (S) I suggest that this material be forwarded through your office for review and action by NSA and NPIC and for the information of State and ACDA.
